Local School Taxes on a \$350,000 House in KSD

TAXPAYER COST

With voter approval of these levies, the local school district portion of property taxes on a home valued at \$350,000 would be an average of \$1,135.75, which is a decrease of \$370 from 2018 for the first two years. For the remaining four years, property taxes would average \$461.25, a decrease of \$1,043.75 from 2018.
